

Announcements – April 30th, 2025

TOMORROW (Thurs 5/1) there will be an informational meeting offered at both lunches for those interested in iChallengeU with FuturePREP'd this June. Come hear about this awesome opportunity to have a two-week internship with a business where you will seek to solve a real problem the business is facing, be able to network with the business, explore career options, learn and grow skills needed for the workforce, and have a chance to earn scholarships! This also satisfies the work-based learning requirement for 9th and 10th graders, but all grades are invited to participate. If you have questions or are unable to make either lunch meeting, please reach out to Mr. Schweitzer or Mrs. Gentile.

Attention all NHS Sophomores and Juniors!

If you would like to run for an officer position on next year's NHS leadership team, please contact Sierra Rietema to express your interest as soon as possible! More information can be found in your inbox.

The following students need to see Suzie **TODAY** ... your chromebook has been repaired:

Varsity golf results from yesterday:

The **JV golf** team set a team best score last night at Crestview Golf Course. The wind was whipping and the scores were dropping. Brendan Hansen was basking in the W aura leading the pack shooting a team best 40. Colin Johr represented his freshmen class and carded a very impressive 44. Bombing drives and driving greens, Collin Schippa wasn't letting the wind mess with his new and improved swing. Mason Peterman wrapped up the team score by shooting a hard-fought 52.
