

Hamilton Community Schools

Bond Proposal Improvements / May 2, 2023

Bond Proposal Facts

On Friday, February 3, the Hamilton Board of Education approved placing a school bond proposal on the May 2, 2023 ballot. If approved by voters, this bond proposal would provide \$41,180,000 for district-wide improvements. This bond proposal addresses safety and security, facility infrastructure, and learning environments.

Key Financial Points

If approved by voters, it is projected that the first year's debt tax rate would increase by approximately 2.17 mills over the current debt tax rate. This would equal approximately an additional \$108.50 per year for every \$50,000 in taxable value.

Taxable Value	Cost/Year	Cost/Month	Cost/Week
\$50,000	\$108.50	\$9.04	\$2.09
\$100,000	\$217.00	\$18.08	\$4.17
\$150,000	\$325.50	\$27.13	\$6.26

Comparative Tax Rates

Hamilton Community Schools currently levies one of the lowest debt millage tax rates in the area and does not levy a Building and Site Sinking Fund millage. If the proposal is approved by voters, Hamilton Community Schools would still maintain one of the lowest debt millage rates in the area.

2022 Debt & Sinking Funds Mills Levied Hamilton Community Schools & Area Districts
