CHARACTER TRAIT FOR THE MONTH

Each month our Middle School community highlights a character trait that is desired by employers. We embed academic vocabulary instruction, small group lessons & whole group lessons.

January focus: Listening; Befriend

Students will be learning that listening and befriending reflect caring and respect. They will practice taking the time to truly hear others.

These traits help build trust and create positive relationships where people feel valued and supported.

MID-YEAR TESTING

Tests in January:

- i-Ready Reading and Math tests taken help measure student growth so far this year.
- Results show current proficiency levels and help predict performance on M-STEP, PSAT, and progress toward grade-level goals.
- 5th & 6th graders will also take Acadience Reading assessments for additional reading data.

On January 23, professional development day, teachers will:

- Analyze student data
